

Vehicle Access Tag Policy

RFID tags are provided to Kissing Tree contractees, homeowners, and tenants for their vehicles to access the community through the entrance gates. Vehicle access tags are installed on vehicle windshields by Kissing Tree security staff.

Vehicle Tags

4 total tags allowed (2 free, 2 additional)

Additional tags \$50/require approval of Executive Director

Tag replacements \$25 starting Jan. 1, 2023

Free vehicle tag may be used for additional golf cart

For each tag, residents are required to show proof of vehicle ownership

Golf Carts

1 tag allowed (free)

Additional tag \$50/requires approval of Executive Director

Free golf cart tag may not be used for additional vehicle

Rules

Tags affixed to vehicles purchased from another resident must be reported, so tag may be switched to the correct account.

If tag is found affixed to vehicle not registered, or in possession of someone else, tag will be confiscated and deactivated.

If an access tag is found in the possession of a non-resident, the tag will immediately be deactivated.

Additional tags must be paid for by check when tag request form is submitted, in order to submit for approval of Executive Director. Make checks payable to Kissing Tree Master Community.
